Girls' School

## **Policy Statement:**

### **Curriculum Policy**

#### **Purpose**

To ensure the School's curriculum reflects the School's philosophy and goals to inspire, challenge and empower.

#### **Guidelines**

The Board shall ensure, through the Principal and Assistant Principal - Curriculum, that it provides a suitable curriculum within the framework of the New Zealand Curriculum, the School's strategic vision, guiding principles and curriculum philosophy. Further, the Board shall ensure that curriculum development and delivery are supported by the School's professional learning programme for staff.

The Board directs the Principal and Assistant Principal - Curriculum and management team to have in place robust procedures to ensure the efficient and effective delivery of the curriculum.
